

Peaceful, Gladsome Christmas Morning

J H TENNEY

1 Peace-ful Glad-some Christ-mas morn-ing, Hap-py those who see its dawn-ing. Hail its joy-ful light:
2 Peace o'er all the earth a-bound-ing, Songs of grat-ti-tude re-sound-ing. Christ the Lord is here:
3. Glad we hail thee, Christ-mas mor-ning, Wel-come now thy joy-ous dawn-ing. Christ's bright na-tal day:

Mer-ry Christ-mas bells are ring-ing, Choirs their sweet-est songs are sing-ing, Fa-ces all are bright.
He hath come all eyes be-hold Him, Oh may all our hearts en-fold him, Learn His name to fear.
Round our hearts sweet peace en-twin-ing, Christ-mas sun up-on us shin-ing, Drives all gloom a-way.

Ring bells, ring bells, mer-ry, mer-ry bells, Wel-come Christ-mas morn-ing, Ring bells, ring bells, mer-ry mer-ry bells,

Glad we hail thy dawn-ing. Ring ring ring, ye mer-ry mer-ry bells, Ring a heart-y wel-come, Ring
 Ring ring bells ye mer-ry mer-ry bells, ring bells ring bells ring bells

Ring ring ring ye mer-ry mer-ry bells, Ye mer-ry mer-ry mer-ry mer-ry mer-ry mer-ry mer-ry bells.
